

Abergeldie was established in 1994 with the aim to carry out complex civil infrastructure throughout eastern Australia. The Company has continued to expand and now has offices in Sydney, Newcastle, Brisbane and Canberra.

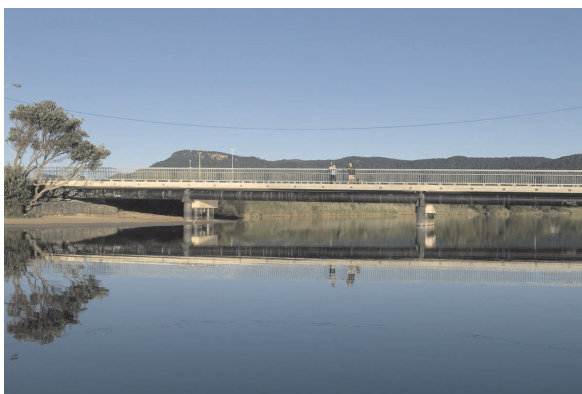

Abergeldie has a loyal, motivated and multi-skilled workforce and is proud of its reputation of being an approachable, dynamic and flexible organisation. The people at Abergeldie have a keen sense of what makes a viable infrastructure project in the 21st century. Abergeldie is currently engaged in complex construction projects including process engineering and mining infrastructure.

Abergeldie Personnel Pty Ltd provides Workforce Management support to the Abergeldie Group including:

- # HR Management
- # Payroll Administration, and
- # Costing Analysis and Charge Out

“We wanted a Payroll and HR solution that covered all the ground. I knew Paywell Plus was flexible and could meet our needs.”

Jeff Williams, Payroll Officer

“Stiearc Systems have been very helpful in working with us to meet our deadline. And now we are up and running, the customer support has been great.”

Kevin Medlin, Company Accountant
